
AGÊNCIA NACIONAL DO PETRÓLEO DE SÃO TOMÉ AND PRÍNCIPE

DATA ROOM RULES

The Agência Nacional do Petróleo de São Tomé and Príncipe (“ANP-STP”) data room rules applicable to the viewing of Geo-Technical Data at the its offices in São Tomé.

These rules regulate the manner in which companies may use the facilities made available to them at the data room located at the ANP-STP offices in São Tomé.

You are reminded that all the documents contained in the data room and made available to you are the property of the ANP-STP and must not be removed or copied without the prior written approval of the ANP-STP or otherwise obliterated. No representation is given and no liability is accepted by the ANP-STP or their respective advisers as to the accuracy or completeness of the Geo-Technical Data provided.

The data room may only be used under the supervision of a representative of the ANP-STP.

1. Opening hours

The data room will be open during the hours from 9.00 a.m. to 5.00 p.m. Monday to Friday.

2. Admission

Visitors must submit to any reasonable security regulations and procedures required from time to time.

Visitors must at all times comply forthwith with any reasonable request by ANP-STP to leave the relevant data room and must vacate the data room promptly at the end of the time allocated for their visit. Extensions of time will not be granted. Only two person per applicant may enter or be represented in the data room per visit and at any one time.

Version	Issue Date
<i>Final</i>	<i>1/11/2009</i>

Before admission to the data room, each visitor shall be required to sign a declaration confirming that they agree to be bound by these Data Room Rules and sign a register providing the following information:

- (i) Date;
- (ii) Full name;
- (iii) Job title;
- (iv) Full company name and address;
- (v) Contact details comprising of telephone numbers and e-mails address
- (vi) Time in
- (vii) Time out
- (viii) Number of images taken, if any.

Visitors may use dictating machines, mobile telephones and personal computers in the Data Room but in no circumstances will fax machines, copiers, cameras of any kind (including mobile phone cameras or pen cameras) or scanners be permitted into the data room and these must be declared and deposited with the data room coordinator or supervisor on arrival.

3. Documentation

Companies will be provided with an index listing of all documents available in the Data Room.

Documents in ring binders or otherwise bound must not be removed from the binder in which they are held. Documents contained loose in files or folders but not bound or contained in a ring binder must be replaced in the same place in which they were found after use.

Companies will be provided with access to a workstation (SMT Kingdom) which contains all the STP Geo-Technical Data. Logging into this workstation can only be done by the data room coordinator or supervisor.

Companies may take away only a limited number of images or screen dumps selected by the respective company representative in a PowerPoint Presentation format, which must be approved by the ANP-STP prior to such images or screen dumps being taken and can only be used for internal use within their company, to

enable them to review the opportunity at their office and to assist its management in making its decision. Such images must be kept strictly confidential and shall not be disclosed in any manner whatsoever to any third party.

Once the data package has been licensed the data license agreement governs the use and copying of the data. In cases where the reports / maps are only available in hardcopy format, copying charges will apply for material requested by companies. Reasonable requests for limited photocopying of certain documents may be met subsequent to the visit at the discretion of the ANP-STP. Such requests should be made to the Technical Director of the ANP-STP in writing. Groups of visitors representing a single prospective application must nominate one contact person (the "Nominated Contact") to coordinate requests for documents and/or photocopying of documents reviewed during their visit that day and subsequent to the visit. The Nominated Contact should identify himself/herself to the data room coordinator.

Each person entering the data room must sign the declaration attached to these rules even if they are from the same company.

4. Conduct

No document may be marked, altered, modified, or damaged in any way. Tea, coffee and soft drinks may be provided but may not be taken into the data room.

The data room coordinator will be available at all times and all requests for assistance should be directed to the data room coordinator or persons specified by him/her.
